

MICRO IT INDIA

MAKE AND GET MICRO IT INDIA CERTIFIED

INTERNSHIP OFFER LETTER

Dear Intern

We are pleased to offer you a 1-month internship at **Micro IT India** as a Software Developer in Full-Stack Development. This internship is unpaid, but based on excellence, **rewards** can be given by Micro IT India.

Points to remember

- You have to develop any two projects from the given projects list in your own interested programming languages.
- You can also submit your projects before Due Date.
- You can join Micro IT India Team after completion of this internship.

Looking forward to working with you!

With Best Wishes,

Mr. Vijay Kumar

Founder, Micro IT India
